

## *Belvedere*

One of the best and largest custom homes on the Belvedere Lagoon, completely remodeled in 2006, with  $\pm 4,100$  square feet of luxurious contemporary design. Pivotal steel and glass entry gate welcomes you to a private, beautifully landscaped walkway to the main entrance. Stunning kitchen by Johnny Grey, with honed Zimbabwe granite counters, warming and cooling drawers, artisan glass, exotic wood and imported marble/stone flooring and counters. Large adjacent family room and dining area with NanaWall opening to huge waterside deck and spa. Upstairs master suite with Mt. Tamalpais and lagoon views, steam shower, jetted tub and lavishly designed and decorated closet/dressing area with huge, drawered, center isle and marble-top vanity and sink. Limestone and Cumaru wood floors, skylights, radiant heating, great open floor plan with wide halls and doors, and beautiful lagoon views. Five bedrooms and four full baths...

**\$4,150,000**
