

Tiburon

Wonderful family home with five bedrooms and separate one-bedroom au pair, large level lawn, great kitchen/family room, and plenty of space for separation including a great second-story office with built-ins and San Francisco view. Approximately 4,800 square feet on slightly over one-half level acre with stunning Golden Gate Bridge and San Francisco skyline views, end-of-street location and near miles of open space trails. Tall windows, temp-controlled wine cellar, decks, hot tub, fenced and private. Six bedrooms, five and one-half baths...

SOLD: Listed at \$3,450,000
