

BELVEDERE *Imagine living between sky and sea, where enveloping views of San Francisco and the Golden Gate Bridge greet you at dawn and captivate you at sunset. Where glass, steel and stone anchor you while floating above an azure horizon. Where privacy, tranquility and high-design encourage relaxation, harmony and peace. Where natural light blurs the line between indoors and out. Where home meets the wonder of the natural world. Welcome to 8 Cliff Road. Spectacularly sited on Belvedere's west shore, this ethereal residence offers the opportunity to live and entertain in style. The approximately 4,695-square foot main home comprises three levels, each inviting the outdoors in with floor-to-ceiling windows, doors and multiple terraces and decks. The upper level features a grand foyer opening to a triple-height living room, bedroom/home office, and a sprawling master suite complete with sitting area, private deck and spa-worthy bathroom. The lower two levels feature a truly gourmet kitchen, dining room, family room, home gym, en suite bedroom and a 750-bottle wine cellar. Architectural highlights abound, including black walnut and limestone flooring throughout, two fireplaces, copper roof and finishes, Ipe hardwood decks and clean, considered lines throughout. A separate guest house, detached two-car garage and five additional parking spots further this home's unrivaled allure.* **\$7,495,000**
