

## TIBURON

*One of Tiburon's most anticipated residences, 25 Gilmartin is a Contemporary Mediterranean masterpiece overlooking Richardson Bay, Sausalito, the Golden Gate Bridge and San Francisco's skyline.*

*Located in one of the most prestigious enclaves of Tiburon, the approximately 5,100 sq. ft. home is ideal for a growing family, an entertainer extraordinaire and anyone with a discerning eye for design-driven living. Comprised of two levels, the home's gracious and open-plan living, dining and entertaining areas set the perfect stage for taking in the enveloping panoramic views from nearly every room. From top-of-the-line appliances to smart home technology to refined craftsmanship and finishes, no expense was spared, including a solar powered home energy system with two Tesla Powerwalls. Architectural highlights include a grand double-height round foyer, dramatic central staircase with custom rough-iron railing, English white oak floors, Fleetwood doors and windows, and a lavish master retreat with city views. With five bedrooms, four bathrooms, a wine cellar, expansive decks, large level lawn and a private gated drive, this architectural gem offers resort-like living in Tiburon.*
